

### Possible Employment Opportunities\*

*Official in different public institutions such as the 911 emergency system, emergency management and disaster management, law and order agents, among others.*

\*These examples are intended to serve as a general guide. There are many factors that determine what occupation an individual can achieve and NUC University cannot guarantee its graduates a specific job position. Some positions may require licensing or other certifications. We encourage you to research your job requirements and career goals.

ASSOCIATE DEGREE IN

# LEADERSHIP IN PUBLIC SAFETY

The Associate Degree Program in Public Safety Leadership will train the student in decision-making and integration of the various areas that make up public safety and the criminal justice system. Likewise, the student will examine the components and processes carried out in public security agencies, as well as the policies that regulate them.
