Divulgación de Licencias o Certificaciones / Licensure or Certification Disclosure

Los siguientes programas están diseñados para cumplir con los requisitos educativos que conllevan una licencia o certificación profesional específica para emplearse en una profesión o se publica que cumple con dichos requisitos. En las siguientes tablas se ofrece información sobre si al completar estos programas sería suficiente para cumplir con los requisitos de licencia o certificación en un Estado para emplearse en esa profesión, la misma utiliza las siguientes abreviaturas:

- **"C"** identifica los Estados para los que la institución ha determinado que su currículo cumple con los requisitos educativos del Estado para la licencia o certificación
- **"NC"** identifica los Estados para los que la institución ha determinado que su currículo no cumple con los requisitos educativos del Estado para la licencia o certificación
- **"ND"** identifica los Estados para los que la institución no ha determinado que su currículo cumple con los requisitos educativos del Estado para la licencia o certificación
- **"NR"** identifica los Estados para los que no se requiere licencia o certificación profesional para emplearse en el campo de estudio

Disponibilidad de programas varía por Recinto.

The following programs are designed to meet educational requirements for a specific professional license or certification that is required for employment in an occupation or is advertised as meeting such requirements. Information regarding whether completion of these programs would be sufficient to meet licensure or certification requirements in a State for that occupation is provided in the chart below, utilizing the following abbreviations:

- **"C"** identifies States for which the institution has determined that its curriculum meets the State educational requirements for licensure or certification
- **"NC"** identifies States for which the institution has determined that its curriculum does not meet the State educational requirements for licensure or certification
- **"ND"** identifies States for which the institution has not made a determination that its curriculum meets the State educational requirements for licensure or certification
- **"NR"** identifies States for which professional license or certification is not required for employment in the field of study

Program availability varies by campus.

****El Programa de Maestría en Educación con Especialidad en Liderazgo Educativo / Master's Degree in Education with Major in Educational Leadership**

El programa de Maestría en Educación con Especialidad en Liderazgo Educativo tiene dos rutas (tracks). La ruta (track) de Experiencia en el Campo está diseñada para preparar a los graduados para obtener la licencia de directores de escuela del Departamento de Educación de Puerto Rico y sólo está disponible para los estudiantes que se encuentran en Puerto Rico. La ruta (track) de Liderazgo está diseñada para preparar a los graduados para que sean líderes educativos y está disponible para los estudiantes ubicados dentro y fuera de Puerto Rico.

The Master's Degree in Education with Major in Educational Leadership program has two tracks. The Field Experience Track is designed to prepare graduates to be licensed as school principals by the Puerto Rico Education Department and is available only to students located in Puerto Rico. The Leadership Track is designed to prepare graduates to be educational leaders and is available to students located in and outside of Puerto Rico.

*****El Programa de Maestría en Psicología Industrial Organizacional / Master's Degree in Industrial and Organizational Psychology**

En los recintos de NUC University ubicados en Puerto Rico, el programa de Maestría en Psicología Industrial Organizacional sólo está disponible en modalidad presencial o híbrida. Está diseñado para estudiantes interesados en tomar el examen de reválida de la Junta Examinadora de Psicólogos de Puerto Rico y a ejercer la profesión de Psicología en Puerto Rico. Toda persona interesada en tomar el examen de reválida de la Junta Examinadora de Psicólogos de Puerto Rico debe matricularse en cursos de práctica supervisada que equivalen a 500 horas en total. Según el Reglamento de la Junta Examinadora de Psicólogos de Puerto Rico, el número de cursos en línea no debe exceder el 30% del total del programa, y sólo aplica a cursos de naturaleza principalmente teórica. Consulte el catálogo para más información.

En el recinto de NUC University ubicado en la Florida, el programa de Maestría en Psicología Industrial Organizacional sólo está disponible en modalidad completamente a distancia y no está disponible para los estudiantes ubicados en Puerto Rico. Está diseñado para estudiantes que no ejercerán la profesión de Psicología, que no se presentarán al público con el título de Psicólogo y que no están interesados en tomar el examen de reválida de la Junta Examinadora de Psicólogos de Puerto Rico u otros exámenes de licencia. Al completar los requisitos de grado, los estudiantes matriculados en este programa no podrán ejercer la profesión de Psicología, no podrán presentarse al público con el título de Psicólogo y no podrán solicitar tomar el examen de reválida de la Junta Examinadora de Psicólogos de Puerto Rico u otros exámenes de licencia. Consulte el catálogo para más información.

At the NUC University campuses located in Puerto Rico, the Master's program in Industrial and Organizational Psychology is only available via residential or hybrid delivery methods. It is designed for students interested in taking the Puerto Rico Psychologists' Examination and practicing the profession of Psychology in Puerto Rico. Anyone interested in taking the Puerto Rico Psychologists' licensing examination must enroll in supervised practicum courses that are equivalent to 500 hours in total. According to the Regulations of the Puerto Rico Psychologist Board of Examiners, the number of online courses must not exceed 30% of the total program, and it only applies to courses of a mainly theoretical nature. Please see catalog for more details.

At the NUC University campus located in Florida, the Master's program in Industrial and Organizational Psychology is only available via fully online delivery method and is not available to students located in Puerto Rico. It is designed for students who will not practice the Psychology profession, who will not present themselves to the public with the title of Psychologist and who are not interested in taking the Puerto Rico Psychologists' licensing examination or other licensing examinations. Upon completing the degree requirements, students enrolled in this program will not be able to practice the profession of Psychology, will not be able to present himself to the public with the title of Psychologist and will not be able to apply to take the Puerto Rico Psychologists' licensing examination or other licensing examinations. Please see catalog for more details.
