**STUDENT RIGHT TO KNOW INFORMATION DISCLOSURES (34 CFR 668.45)  
JULY 1, 2023**

*La traducción al español de este documento está disponible según sea solicitado. Debe solicitar el mismo al Rector o Director Ejecutivo de su unidad.*

The federal Student Right To Know Act requires that annually (no later than July 1) institutions of postsecondary education prepare and disseminate information about their graduation rates of full-time, first-time in undergraduate programs leading to a certificate, associate’s or bachelor’s degree. In addition, the institution must also provide information on:

- Graduation rates disaggregated by gender, by each major racial and ethnic subgroup as defined by the Integrated Postsecondary Education Data System (IPEDS), by recipients of a Federal Pell Grant, by recipients of a Federal Direct Loan (other than a Federal Direct Unsubsidized Stafford Loan) who did not receive a Federal Pell Grant, and recipients of neither a Federal Pell Grant nor a Federal Direct Loan (other than a Federal Direct Unsubsidized Stafford Loan),
- Retention rates reported to IPEDS,
- Placement rates and types of employment obtained by graduates, and
- Types of graduate and professional education in which graduates of the institution’s four-year degree programs have enrolled.

**Placement Rate Information:**

The source of the Placement Rates and Types of Employment provided in the chart above is from employment verifications completed by graduates or employers.

**All programs except the Master’s Degree in Education with Major in Educational Leadership School Director, Bachelor’s Degree in Science in Nursing, Associate’s Degree in Nursing, Associate’s Degree in Physical Therapist Assistant**

The calculation of rates includes students who graduated from a program from November 1, 2020 to October 31, 2021, were available for employment, and were employed before November 1, 2022. The calculation of this rate does not include students who graduated from a program and were unavailable for employment due to death, permanent disability, continuing education, active military service, visa restrictions (international students), or incarceration. Employment is based upon job titles included in the list of job titles published by the institution for which the program prepares students and use of skills learned.

Placement rates are calculated as follows:

$$\frac{\text{Total Graduates Employed}}{(\text{Total Graduates} - \text{Total Graduates Unavailable for Employment})}$$

**Master’s Degree in Education with Major in Educational Leadership School Director Program**

The calculation of rates includes students who graduated from a program from July 1, 2020 to June 30, 2021, were available for employment, and were employed in a position for which a School Director program prepared them before July 1, 2022.

Placement rates are calculated as follows (CAEP Programmatic formula):

$$\frac{\text{Employed in the Field and Related}}{\text{Total Graduates}}$$

**Bachelor’s Degree in Science in Nursing and Associate’s Degree in Nursing Programs**

The calculation of rates includes students who graduated from a program from July 1, 2020 to June 30, 2021, were available for employment, and were employed before July 1, 2022. The calculation of this rate does not include students who graduated from a program and were unavailable for employment due to, death, or; permanent disability, continuing education; active military service; visa restrictions (international students);, , or incarceration. Employment is based upon job titles included in the list of job titles published by the institution for which the program prepares students (in the field) and the required use of skills learned in the student’s program as a predominant component of the job (related field).

Placement rates are calculated as follows (ACEN Programmatic formula):

$$\frac{(\text{Employed in the Field} + \text{Employed in the Related Field})}{(\text{Total Graduates} - \text{Total Graduates Unavailable for Employment})}$$

### **Associate's Degree in Physical Therapist Assistant Program**

The calculation of rates includes students who graduated from a program from July 1, 2020 to June 30, 2021, sought or were referred to employment, and were employed (full-time or part-time) as a physical therapist assistant employed before July 1, 2022.

Placement rates are calculated as follows (CAPTE Programmatic formula):

$$\frac{\text{Total Graduates Employed in the Field}}{\text{Total Graduates}}$$

**Placement Rate Information:**

The source of the Placement Rates and Types of Employment provided in the chart above is from employment verifications completed by graduates or employers.

**All programs except the Associate Degree in Gastronomy and Culinary Management, Diploma in Culinary Arts, and Diploma in International Pastry and Baking**

The calculation of rates includes students who graduated from a program from November 1, 2020 to October 31, 2021, were available for employment, and were employed before November 1, 2022. The calculation of this rate does not include students who graduated from a program and were unavailable for employment due to death, permanent disability, continuing education, active military service, visa restrictions (international students), or incarceration. Employment is based upon job titles included in the list of job titles published by the institution for which the program prepares students and use of skills learned.

Placement rates are calculated as follows:

$$\frac{\text{Total Graduates Employed}}{\text{(Total Graduates – Total Graduates Unavailable for Employment)}}$$

**Associate’s Degree in Gastronomy and Culinary Management, Diploma in Culinary Arts, and Diploma in International Pastry and Baking Programs**

The calculation of rates includes students who graduated from a program from July 1, 2020 to June 30, 2021. The Placement Rates provided are defined by the American Culinary Federation Education Foundation Accrediting Commission (ACFEFAC): the percentage of graduates who are employed in their field of study or related within nine (9) months of graduation.

Placement rates are calculated as follows (ACFEFAC programmatic formula):

$$\frac{\text{Total Graduates Employed in the Field and Related Field}}{\text{Total Graduates – Total Graduates Unavailable for Employment}}$$

For more information about how the placement rates are calculated, please contact the NUC University Placement Corporate Director.
